DRINK OF THE MONTH - FEBRUARY

JAPANESE MATCHA TEA

A fan favorite- matcha is known today as the healthiest, rarest, and most premium of all tea varieties from Japan. For over 800 years, Buddhist monks have been using matcha tea for meditation purposes. It is extremely exquisite, with only a few dozen farmers having the required knowledge to produce it. 7 Leaves is proud to source our matcha from master tea farmers. There is no other fruit or vegetable in the world that provides more antioxidants than matcha. It is the healthiest drink nature has to offer.

EMPLOYEE OF THE MONTH

NATHAN HONG

Nathan has demonstrated excellent teamwork and support by helping our customers enthusiastically. Being selected as the employee of the month is a well-deserved recognition for his contributions. Nathan has been a valuable asset to the team and has made a positive impact. Being recognized for his contributions will likely serve as motivation for him to continue his good work. Kudos to Nathan!
